

WINTER CLASSIC 2003

Shaw Island Winter Classic 2003

This race was sailed under some very heavy wind conditions. At the start gusts to 35Knots were reported and 3 boats choose not to sail. The wind continued through the day. Time Bandit lost their boom during a jibe and finished the race without a main sail. It was a good day to have a heavy boat.

Start Time: 10:10:00
