ATTACHMENT 1 – COURSE DIAGRAM

Courses for each class will be defined by a placard on the committee boat bearing a number representing the class and a series of letters representing the course. Marks S, A, B, C, and D are to be left to port.

Windward, and leeward are defined by the wind determined by the RC at the beginning of the starting sequence.

Marks A and B will windward marks. Mark B may also be used as a jibe mark.

Mark C and D will be leeward marks, with Mark C potentially to windward of the signal boat.

Marks A B C D will be orange tetrahedrons.

Marks S and F will be yellow tetrahedrons.

Blakely Shoal (R) is marked by a black/red caution buoy.

The positions of marks to the left or the right of the course axis may not be accurate in the drawing, but their relative distances from the Signal Boat are (i.e. A will be further from the signal boat than B). If Mark A and Mark B are nearly equal distance from the Signal Boat, A is to the right of B.

S A C B F

Start, round A to port, round C to port, round B to port, downwind finish
