

The Plan at Roche Harbor

Saturday night November 10, 2007 at Roche Harbor the resort's dining room will be open from 5:00PM serving off their regular menu. Advanced reservations are required by November 5 call 800-451-8910 ext 400, 360-378-5757. They have a very nice website at www.rocheharbor.com The bar will be open from 4PM-12PM.

This year we have the use of two comfortable "Party Barges" from 4PM until late; they are 40ft by 40ft with covered side curtains to keep the wind down. On the barge there will be a hot six foot BBQ grill for your use. FHSC will provide BBQ tools, paper plates, napkins, and condiments, utensils and coffee; bring your own meat to grill, or whatever, as you wish. There will be seating for about 80 people with some additional room to stand and hangout. Because the seating is limited we expect folks to make room for those who are eating. Last year there was a steady turn over on the barge over the course of the evening. If you get in early it would be nice to get started early "Race Headquarters" will be on the barge.

You may also bring your own beverages be they alcoholic or not. All "open containers" must remain on the docks. You may not take your own alcoholic drinks past the ramp

Please let's not have a problem with this rule. Be sure all of your crew understands the rule about no alcohol past the docks.

Another popular option for food and drink for those who have rented a condo unit is to cook there. You can even opt for a cab ride to Friday Harbor for dinner if you so choose. Please do stop by later at the barge or bar to check the race results and to party with the fleet.

The Roche Harbor store will be open until 9PM. The Lime Kiln Restaurant will be open for breakfast at 6:30 AM.
